

Nov 2021 Prayer Update

Dear praying brothers and sisters,

We hope you had a blessed Thanksgiving. Even with the many difficulties of the past year, we were able to express our gratitude to God. When we acknowledged our need, He provided for us, protected us, and blessed us. We are infinitely in debt to God for His grace. And, with Advent now upon us, may the Grace of our God bring you repentance, reconciliation, hope, and joy as you reflect on the coming of the Son of God.

Praises:

The Missions Week in Taitung County (county in south of Taiwan) went superb! Many churches were moved and have begun to see the lostness around them and in the world. As a result, many churches are receiving evangelism trainings. Praise God !

Ed and Kelly are now fully vaccinated after a long wait.

Prayer Requests

1. Our evangelism training and Korean class are well underway at Zhongshan Church. Please continue to ask the Lord to work in people's heart and move

them to rely more on Him as they live out and speak about the good news of Jesus.

2. We are in the process of identifying a few churches to build relationship and to work closely in partnership.

And, finally, it is Lottie Moon Christmas Offering season! Did you know 100% of your offerings to

LMCO goes to the mission fields to share the good news and to make healthy, multiplying disciples? We must continue to participate in God's mission every day because the global need for the missions is more urgent than ever. 155,473 people are dying daily without Christ!

Lottie Moon Christmas Offering Resources are Available to You and Your Church.

Resources are available in English, Spanish, Chinese and Korean.
