

February 2022

Dear praying brothers and sisters,

We would like to express our sincere thanks to those of you who have given to the Lottie Moon Christmas offering. We look forward to partnering with all of you in 2022. Your prayers make a difference here in Taipei!

PRAISES:

Covid-19 restrictions have been relaxed here. We are getting closer to having a normal life.

Working with our partnering churches, we have passed out 600 Gospel tracts during Christmas. May His story of salvation through Jesus Christ continue to awaken people's hearts and minds to commit to follow Christ as their Lord and Savior!

We have identified 4 more churches to partner with. Praise God!!!

PRAYER REQUESTS:

With the XWT church, we are still talking with the pastor about how we can be a service to the church. This church is located in the middle of predominant Hakka population. Hakka is an UPG (unengaged people group) who are scattered throughout the world. Hakka people comprise about 15 to 20% of the population and is the second-largest ethnic group in Taiwan. They are slower to respond to the Gospel. They practice animism and ancestor worship and are more traditional in their beliefs. Pray for this community that they would see our God who does not need any service from them but desires a relationship with them.

With the ATO church, we have just trained a group of people in Good News training (how to write a 3 minute personal testimony and how to share the Gospel using the 2W2L). We went out to the street afterwards to share the Gospel on a rainy, cold day.

35 people heard the WHOLE Gospel and 4 believed. Not only did we pass out tracts, but we spent 5-6 minutes with each person and shared using 2W2L. These numbers matter because they represent real people who are lost, and because this is the first time in their lives several people have ever heard the whole Gospel! Please pray for the ATO church to plan a consistent time to go out to share the Gospel. We look forward to hearing questions like: "We have many new believers. What's next? What does biblical discipleship look like?"

More prayer requests

Ed is continuing to train at the ZS church, and it is now the men's group. They are learning how to share the Gospel using 2W2L. Ask God to inspire their hearts to have boldness and excitement to share with their friends and family.

Kelly is leading an online Trauma Healing group that is made up of brothers and sisters from China. Please ask God to speak to their hearts, and that they will be able to bring their wounds to the cross and experience our God who is a Healer. May they be able to help others after the training.

WHEN WAS THE LAST TIME YOU SHARED THE GOSPEL WITH SOMEONE?

The lady in pink is "Sarah," who is sharing the Gospel with the man. She has been a Christian for 10 years and this was her first time sharing the whole Gospel with a stranger. And she got to do it 3 times that night! Such a beautiful, awesome moment to see her tears of joy and thankfulness out of her obedience to Jesus Christ saying, "Go and make disciples of all nations!"

Thank you for your partnership!

In Christ,

Ed and Kelly
